Program Details:

After School Quran Program is part of ISNS Children's Education Program. This is a non-profit program run by Masjid as a service to the community. All the fees collected from this program are to cover basic expense and to help needy parents participating in this program.

The program runs for about 10 months starting on September 2nd until beginning of Ramadhan. The focus of this program is to teach children read Quran with proper Makharij and Tajweed rules. Though we encourage kids to memorize Surahs during the session, our main focus will still be on proper reading.
